What is our strategy

- MISSION: A company of caring people to make customers happy and *feel great*.
- VISION: To be a World Class and Leading Brand supplier through liability and ON TIME deliveries and become a Life Time Partner.
- STRATEGY: High Efficiency, Equal Value to Customer, Employee and Shareholder. Trend Setter supported by Premium Global Sourcing Team. Flexibility and quick response is a must.
- VALUE: Integrity, Teamwork, Dynamic, Liability
- STANDARD: Our Management is coming from different countries - Austria, China, India and Indonesia. This Team makes it possible to keep the moral of the Team high and guarantee the Premium Standard!

The value of Premium-Group

As a result of different demands concerning different prints or embroideries, we are not dependent on one partner, certainly we only use the best in their field, which are well-proven and certificated partners.

A modern logistic concept and a flat organization with constant availability for the customers turn us into a high-capacity partner for our clients.

Compliance is a serious issue

All our staffs are working under the rules of the letter of conduct, which contains

- ☐ safe and healthy working conditions
- ☐ fair wages and benefits
- ☐ freedom of association
- ☐ prohibition of excessive overtime forced and child labor
- ☐ protection against harassment and discrimination.

We can guarantee the strict compliance of the legal work conditions, as it is an important issue for us.

All our employees must be over 18 years old. The amount of the man-hours and brakes is reviewed regularly.

additional we offer

- ⌊ complimentary food and drinks
- ⌊ free utilization of leisure time possibilities
- ⌊ regular expense training which is paid by us.
